(Toronto, ON - June 16, 2010) Inside MotoX & Off Road is proud to increase our focus on grass roots racing by signing on as the presenting sponsor of the Diesel Tech Western Canadian Amateur National Motocross Championships.

Inside MotoX & Off Road has always prided itself on its support of amateur racing and signing on with this high profile event only adds to this. "We are extremely excited to be involved in such a fantastic event," said Inside MotoX & Off Road editor, Jeff Morgan. "Amateur racing is something that is near and dear to us and anything we can do to help support the amateur racers is great."

As the presenting sponsor, Inside MotoX & Off Road will be the only magazine onsite and will be providing coverage of the Diesel Tech Western Canadian Amateur National Motocross Championships in a future issue.

"We are excited to have Inside MotoX & Off Road sign on as a presenting sponsor," said Joe Malinowski, of the Lethbridge Motorcycle Club. "Having a national magazine sign on should prove to be a big boost for Western amateur racers."

The Inside MotoX & Off Road presents the Diesel Tech Western Canadian Amateur National Motocross Championships takes place from June 30 to July 3 at the famous Temple Hill Motorcycle Park in Raymond, AB.

Now in its ninth year of publication, Inside Moto-X & Off Road covers all forms of off road motorcycling with a Canadian focus. Published six times a year, the magazine features new model tests, product reviews, industry news, opinion pieces and coverage of all types of off-road motorcycle racing. More information is available at www.insidemotocross.com.
