## MARCH 2011 NEWSLETTER

**Memberships** - It is now time to renew your LMC membership and they are available for purchase. Memberships are available at the Town Pump in Raymond, at T.R.U. Holdings (3855 – 9 Avenue North) and at the next LMC meeting. With your membership, you will receive a key for the west pit (track). Prices are the same as 2010:

**Single membership \$50      Family membership \$75**

**Gate Keys** – With your membership, you will receive a key for the west pit (track). You must have an LMC membership in order to purchase a main track gate key. Main track gate keys are available for purchase at T.R.U. Holdings (address above), Mon – Fri, 9 am – 4 pm. Keys can be purchased by cheque, cash, VISA or MasterCard, NO debit cards. The cost is the same as 2010:

**Gate Key \$200 with the option of "working off" \$100.**

You will receive work vouchers to be filled in when you do work at the track or helping with the Cross Country and Hare Scramble. When complete, turn in the vouchers to Heather and at the end of the season you will be reimbursed up to \$100 for your main track gate key.

When you get to the track, unlock the padlock, open the gate, enter the site, close the gate, lock the padlock and remove your key. This way you will not have to be responsible for anyone else coming in (getting them to sign the waiver, pay a day fee, making sure they leave the same time you do etc). If someone wants into the track while you are there, have them go to the Town Pump in Raymond and get a day passkey and/or membership.

### **Temple Hill Motorcycle Park – Hours of Operation**

Anyone caught in violation of this by-law faces fines from \$200 - \$10,000 and/or loss of riding privileges at Temple Hill Motorcycle Park, and/or loss of their Lethbridge Motorcycle Membership

**Western Canadian Amateur National Motocross Championships**

The Lethbridge Motorcycle Club and the Over the Bars Club are excited to announce that they are again managing and hosting Western Canadian Amateur National Motocross Championships, at Temple Hill. **June 29 through July 2, 2011.**

There is a lot of work to do. The last half of the upcoming, regular LMC meetings and separately scheduled meetings are devoted to the planning of the WCAN. The Club needs your help - before, during & after the Event. Members that contribute substantially with the work, will receive free entry fees & gate admission to the event. See the Calendar of Events to find out meeting dates.

Advertising sponsors are needed for the souvenir program that the LMC will have produced for the WCAN. As an LMC member, for every ad you sell, you will be reimbursed a 10% commission, once the sponsor has paid for the ad. The advertising options form is available now at T.R.U. Holdings Inc. or at the next LMC and WCAN meetings.

Come to the meetings to find out which Committee you can help out on and watch the event website [www.cdnmx.com](http://www.cdnmx.com) for more information and updates on the event.

## Temple Hill Work Party Days

No work party days have been scheduled yet, the weather is just not cooperating. Watch your emails for dates and times.

## Wednesday Night Practices

Thank you to Jeanette deGraaf for doing such a great job AGAIN with the Wednesday Night Practices for the 2010 season. The 2011 WNP will run from May 4<sup>th</sup> through September 28 (except the week prior to and during the Amateur Nationals.) weather permitting.

## Casino Nights:

After years of waiting we have finally been awarded two Casino nights, September 8 and 9, 2011. Watch your emails for information on the Casino and jobs that will be open. This is a great way to fundraise for the Club and we need your help to fill the volunteer positions at the Casino nights.

## Notes:

- The Club is looking to get all the trophies sponsored for the [May 29 SOAB MX](#) race. There will be a "trophy sponsorship" form available soon. Getting the classes sponsored is a great way to make money for the Club. Watch for the form on your email, or pick one up at the next LMC regular meeting or at T.R.U. Holdings Inc. starting April 12. See if you can get at least one class sponsored.
- As a member, it is your responsibility to report to the Executive 403-328-8973 or the Raymond RCMP 403-752-3351 any actions or activities taking place at Temple Hill that are a detriment to the park or the sport.
- There are always requests from street bike riders to get some rides organized. If anyone is interested in helping to get this going, please come to the next meeting or contact the Club 403-328-8973. Remember, if you ride a street bike, keep track of your miles or kms. There is an LMC annual award for *most miles on a street bike*.
- **NEW** The keys for the main track at Temple Hill will open the new first aid box which is on the deck of the old clubhouse. In the box are the back board, neck braces and first aid kit, etc. This way, everyone that is riding at Temple Hill will have access to the first aid equipment. The equipment used to be kept in the clubhouse. Not everyone knew where the keys to the clubhouse were, so the Executive feels this is a much better way to go. The Executive will now be the only ones with access to the Clubhouse. The hidden keys that most everyone knew where they were will not be there anymore!
